

Defines and Type Definitions

```
graph LR; A[Status and Control Registers] --> B[Defines and Type Definitions]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Defines and Type Definitions'. The box on the right is white and contains the text 'Status and Control Registers'. A horizontal arrow points from the right side of the white box to the left side of the gray box, indicating a relationship or dependency from the registers to the definitions.
